(Look at the complete results in LOC:s website www.evacs2008.si)

In European Veterans Championship (EVACS) in Ljubljana I finally after some corrections noted 19 World Records, 34 European Records and 115 Championship Records. In the heat (about 30 degrees above zero) it was hard to break records in the long and medium distances.

In EVACS in Ljubljana it has been broken more records compared with the latest EVACS in Poznan 2006 when it was totally 10 World Records, 21 European Records and 94 Championship Records.

Most records ever in EVACS:s history was set up in Aarhus/Randers 2004 with 45 World Records, 64 European Records and 181 Championship Records. It is far more records compared with now in Ljubljana and it will be hard in future to exceed these figures from 2004.

The first European and World Record in Ljubljana was broken July 24 (Day 1) by Inge Faldager, Denmark who improved the earlier World Record 17.57 of Annie van Anholt in W60 Weight Throw from April 2007. Inge now noted the new record 17.84.

July 25 (Day 2) Pavel Tósnař, CZE noted new World Record in M75 Decathlon with 8116 points. It was the only Record in Decathlon/Heptathlon. Arild Busterud, Norway brought World Record in M60 Weight Throw with excellent 24.20, an improvement of the American Tom Gage's World Record (23.57). In M65 Klaus Liedtke, Germany improved the Championship Record with 82 centimetres to 19.54.

In day 3 (July 26) it was broken totally 15 Championship Records and two of these records also are World Records. In the semi-finals Christine Mueller, SUI beat the World Record in W50 300m Hurdles with 71 hundredths and noted 45.48. In W50 Shot Put W50 Helma Teuscher, GER improved the German Woman Sigrun Kofink's 23 years old World Record with 12 centimetres to 14.94!

Day 4 (July 27) it was cut 15 Championship Records, 3 World Records and 4 European Records. Christine Mueller, SUI exceeded her World Record in W50 300m hurdles from the semi-finals with further 43 hundredths to excellent 45.05. Jorge Paez, ESP noted 604 in M60 Long Jump which is European Record and better than the official World Record (with wind-gauge). In M50 400m Hurdles M50 Howard Moscrop, GBR improved his own World Record from earlier this year from 57.68 to 56.85. Leili Kaas, EST improved the Norwegian woman Gerd Mjelde's old European Record in W70 300m Hurdles from 2004 with 11.22 seconds to great 71.08!!

Day 5 (July 28) I have noted 17 Championship Record, 3 European Records and 2 World Records. Earlier in the week Arild Busterud, NOR cut the World Record in M60 Weight Throw and now he improved the World Record

in Hammer Throw with 1.36 centimetres to great 63.32. Evaun Williams, GBR improved her World Record in W70 Javelin with 10 centimetres to 32.29

Day 6 (July 30) it was "only" broken 8 Championship Records 3 European Records and 1 World Record. Joylyn Saunders-Mullins, GBR, improved in W55 400m her own European Record 65.52 from the semi-finals to 63.66. In Pentathlon W65 Marianne Maier, AUT improved the European Record to great 5403 points.

In W65 Pole Vault Diethild Nix, GER exceeded her own European Record from the German Championships in July 13 with 6 centimetres and noted 2.31. In W90 Discus Gabre Gabric, ITA improved her European Record to 11.86. The only record in Road Walk was in M70. The World Record Holder Arthur Thomson noted Championship Record with 1.56.27 in 20km.

Day 8 (August 1) Christine Mueller, SUI brought her third World Record in Ljubljana. After two World Records in long hurdles she now improved the World Record in 80m hurdles.
