

EUROPEAN VETERAN INDOOR RECORDS 2008

01.06.2008

Compiled by Ivar Söderlind, statistician of EVAA

In 2008 it is, up to now, set up 65 European Indoor Records, 27 for men and 38 for women. 48 of these records were noted in WMA Championships in Clermont Ferrand, FRA March 17-22.

In WMA Championships in Clermont Ferrand I thus have noted 47 European Indoor Records and 28 of these records are World Indoor Records. Besides I also have noted 4 European Outdoor Records in Clermont Ferrand, hence 2 are World Outdoor Records. I and Ove Edlund, my statistician colleague in Sweden, are still working with European Record lists for Pentathlon (with 2004 WMA Scoring Tables). In this list I present updated preliminary Record lists for Pentathlon mostly based on WMA Indoor Championship.

The results from W65+ 3000m in WMA Indoor Championship in Linz March 15-20 2006 can not be considered for records. The number of laps that the athletes ran can not be verified and therefore a record can not be accepted. Observe also that for Weight Throw it always must be Weight Throw indoors, not outdoors in an Indoor Championship!!

When two or more results are noted in one age group and event the first noted result is the official record. Only results with all tasks reported (Birth Date, Date and Place for the Competition) are approved as official records. Only electronically timing is accepted for distances up to and including 400m. For distances from 200m and more the track round must be 220yards (201.168m) or shorter. I have noted if the European Records in this list are World Records or better than the Official World Records.

Please check the list given below and help me to make it more complete (i.e. Pentathlon Records). All new records must be reported by a Record Application (preferably EVAA:s Record Application)!

= The track round is more than 220 yards (201.168m) (no official record).

* = new or modified records 2008
