

# EUROPEAN VETERAN INDOOR RECORDS 2010

compiled by Ivar Söderlind, statistician of EVAA 31.01.2011

In 2010, up to December 31, I have registered 51 new European Indoor Records and 38 of these records also are World Records or better than the official World Records.

Moreover I have until January 31 2011 noted 2 European Indoor Records (in Triple Jump) and both are World Records.

My statistician colleagues Ove Edlund, Sweden and Bernd Rehpenning, Germany have updated the Records for Pentathlon indoors scored with the new age factors from 2010. Remember when you report new Pentathlon Records: include the results for all the five events and not only the points!!!

Observe that for Weight Throw it always must be Weight Throw indoors, not outdoors in an Indoor Championship!! When two or more results are noted in one age group and event the first noted result is the official record. Only results with all tasks reported (Birth Date, Date and Place for the Competition) are approved as official records. Only electronically timing is accepted for distances up to and including 400m. For distances from 200m and more the track round must be 220yards (201.168m) or shorter.

Please check the list given below and help me to make it more complete. All new records must be reported by a Record Application (preferably EVAA:s Record Application)! Take copies of the application from the EVAA Web Site and also send me a copy of the result lists. Results from European Veteran Championships - EVAC (Stadia/Non Stadia/Indoors) and results from WMA Championships are not necessary to report to me. I also have control over the results from international competitions figuring in the IAAF Calendar.

# = the track round is more than 220 yards (201.168m) (no official record).

\* = new records noted and registered 2010

# = new records noted and registered 2011

EVC = record noted in European Veteran Athletic Championships Indoors

WMA = record noted in WMA Championships Indoors

Welcome to the official EVAA Web Site: "www.evaa.ch"!
